I understand that I am purchasing a quality, farm raised duck. I understand that the ducks are rested for 48 hours in a refrigerator before I will pick them up and that fresh duck will not cook the same as a previously frozen duck from the local supermarket. I will adhere to safe cooking and handling practices set forth by the FDA for poultry cooking. I understand that if I do not pick up my order, I forfeit my deposit and my duck(s) will be posted and sold to the public within 24 hours.
